

Adobe Illustrator – Lesson 11 Pathfinder Menu Patterns

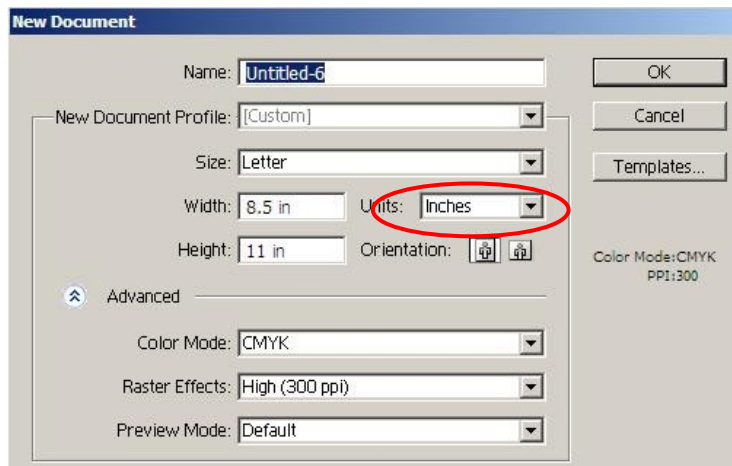

Crazy Cone Ice Cream Menu

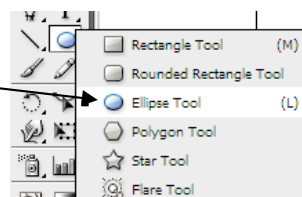

1. START>PROGRAMS>ADOBE ILLUSTRATOR CS3

2. File>New and use these settings. Be sure to change Units to Inches if necessary.

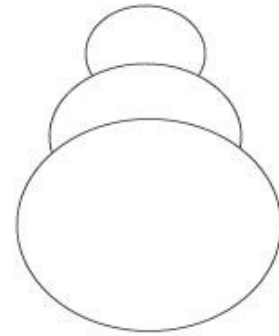

3. Select your Ellipse Tool

4. Draw an oval:

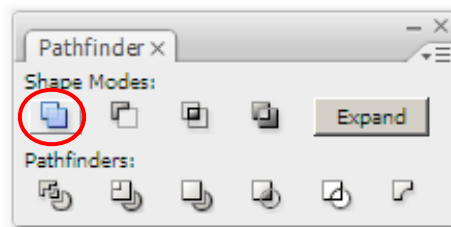

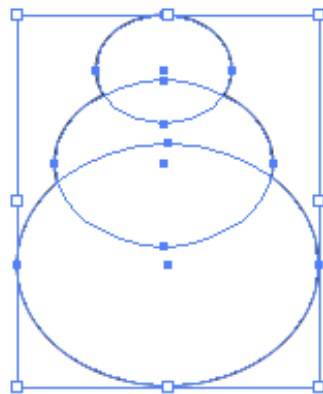

5. Add two more ovals as shown and place them as shown:

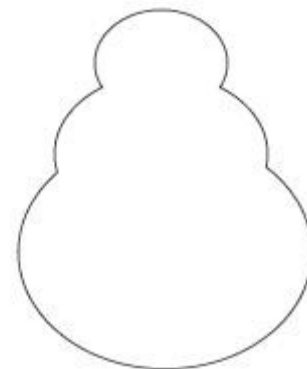

6. Go to Window>Pathfinder to open the Pathfinder Menu

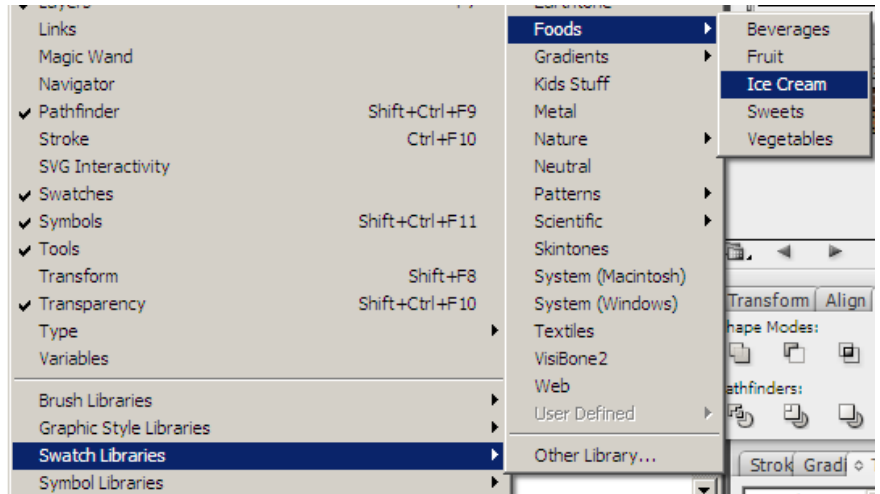

7. Select all three ovals with your Black Arrow Selection Tool. On the Pathfinder Menu, select the first tool, "Add to Shape Area"

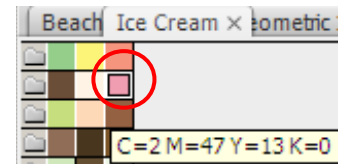

This combines the three ovals into one shape:

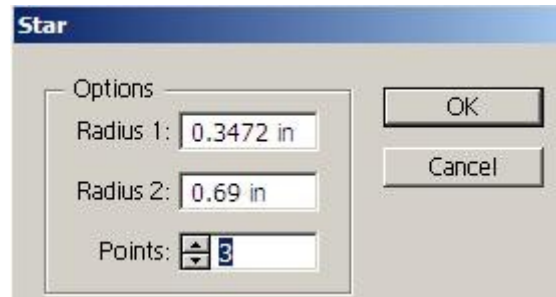

8. Go to Window>Swatch Libraries>Food>Ice Cream

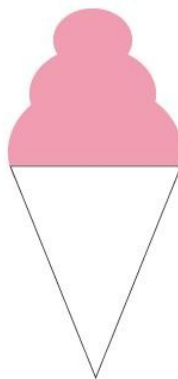

9. Select the pink color in the second row to Fill your shape and set the stroke color to None.

10. Select the Star Tool. Click once on your canvas and change the Points to 3.

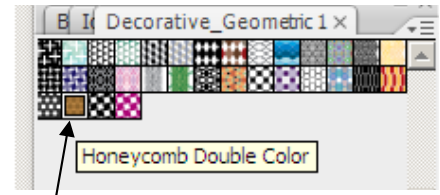

11. Draw a triangle as shown:

12. Go to Window>Swatch Libraries>Patterns>Decorative>Decorative_Geometric 1

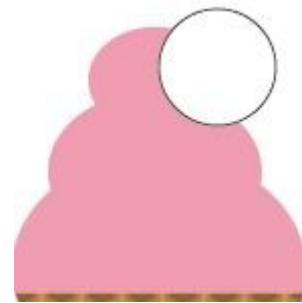

13. Fill the ice cream cone with Honeycomb Double Color.

You should have something like this:

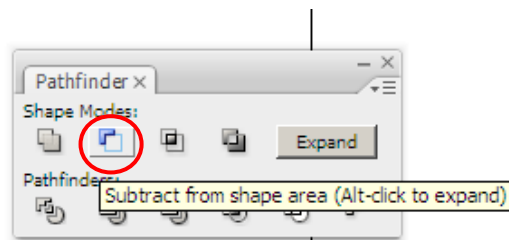

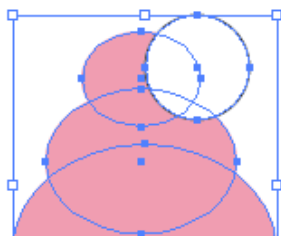

14. Set your Fill and Stroke colors to White and Black. With your Ellipse Tool, hold SHIFT and draw a circle and place it as shown:

15. Select the white circle and pink ice cream only, **not the cone**.

16. On the Pathfinder Menu, select Subtract from Shape Area:

17. You should have something like this:

18. Select both the ice cream and cone by dragging a selection box around both objects with the Black Arrow Selection Tool:

This will select all the objects at once:

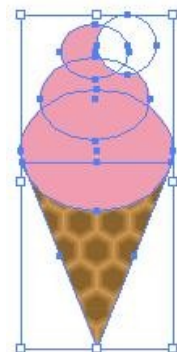

19. Make three copies. (Go to Edit>Copy, Edit>Paste, or hold ALT and drag to make copies).

Fill the others with the following colors: any brown, light green, yellow:

19. Select all parts of the strawberry ice cream cone with the Black Arrow Selection Tool, go to Object>Group

Do the same for the other flavors.

20. Place the ice cream cones on your canvas as shown:

21. Select your Type Tool, use the P.T. Barnum font (or any other you like) and type Crazy Cone Ice Cream.

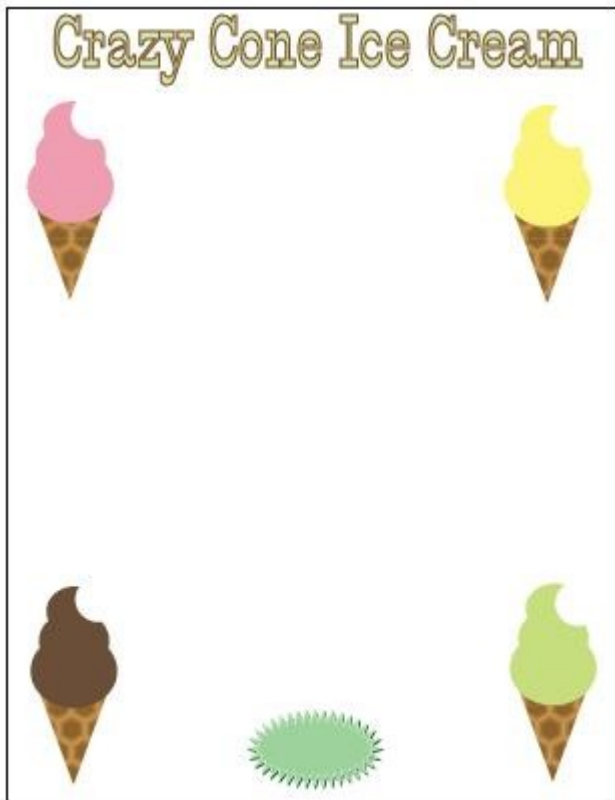

Place it at the top of the canvas. Fill the text with any color you want and make the stroke any brown. Change the Stroke Weight to 2px.

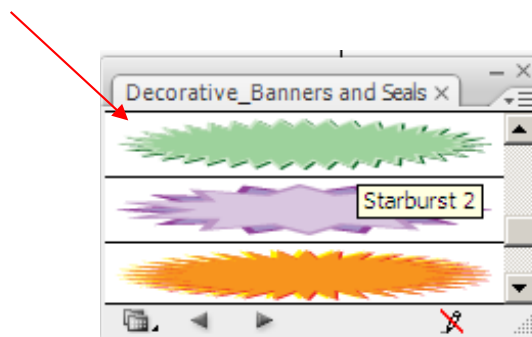

You should have this:

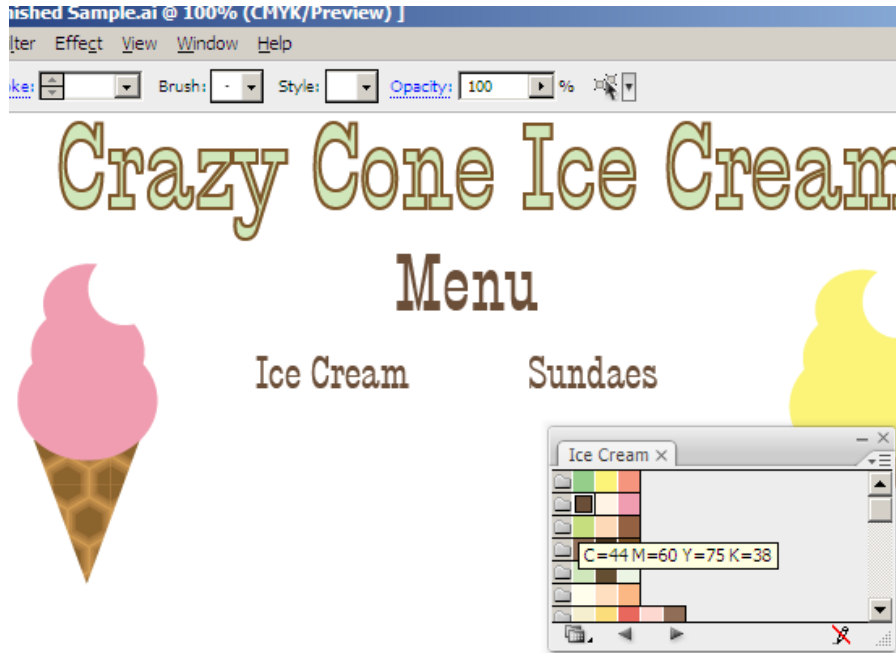

22. Go to Window>Brush Libraries>Decorative>Decorative_Banners and Seals

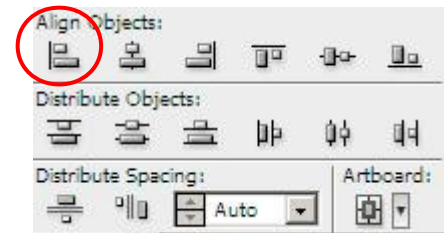

23. Select Starburst 2 and place it at the bottom of the canvas. Resize the Starburst to make it a little smaller.

24. Add the following text in the P.T. Barnum font (or any font you like). Make it the same brown color as your ice cream (C=44, M=60, Y=75, K=38). For the example below: The font size for Menu is size 48pt. and Ice Cream and Sundaes is 28pt.

25. Add the following text below. The font size is 21pt. Then select your text, go to Window>Align and select Horizontal Align Left

26. Add a thin brown rectangle across the middle of your canvas and then add the following text as shown. The font size is 21pt.
